Tallahassee, Florida**

**Spring 2017 Volunteer Form for LLMT Tutor/Mentor**

( [www.newlifeumctalla.com](http://www.newlifeumctalla.com) 850-510-2986)

**1. Brief Description of Life Lifter Math Tutorial (LLMT)**

LLMT is a ministry of New Life United Methodist Church. From September to April of each year, LLMT provides **math** tutoring and mentoring for grades 5-8 students on Saturdays from 10:00 AM to 12 noon. The objective is to help lay a good foundation for doing well in high school.

LLMT lunch is served at 12:15 PM. Participation in LLMT is free of charge, and is limited to about 20 students for each Saturday.

LLMT volunteer tutors/mentors from FAMU-FSU College of Engineering teach students how to utilize common computing devices, such as the cell phone, to access math help websites.

If you feel an urging to volunteer your time as LLMT tutor/mentor, then please complete and submit this volunteer form to LLMT at [saawoniyi@comcast.net](mailto:saawoniyi@comcast.net) or leave a message for Dr. Sam Awoniyi at 850-510-1463.

**2. Volunteer Form for Spring 2017**

Name of Volunteer \_\_\_\_\_

E-mail Address of Volunteer \_\_\_\_\_

Contact Phone Number of Volunteer \_\_\_\_\_

Please mark dates and times during which you can help as LLMT volunteer tutor or mentor in Spring 2017.
