

Draft of general LLMT fund solicitation letter

Dear XYZ:

Our math tutoring program at New Life UMC, “Life Lifter Math Tutorials” abbreviated LLMT, is asking you and your organization to consider sponsoring/supporting one or more students in Fall 2016 or Spring 2017.

Every Saturday, from 9:30 AM to 12:00 noon, LLMT utilizes the services of retired teachers and college students in mathematical disciplines, and other professionals, to tutor 5th – 8th grade students in math. The mission is to help lay a good foundation for doing well in and graduating from high school, and thereby break a well-known vicious cycle.

At the end of tutoring sessions each Saturday, every student is given a post-tutoring note intended to involve parents/guardians in getting students ready for next Saturday’s tutoring. Such involvement by parents and guardians is necessary for success.

The full cost is about \$20.00 per student per Saturday, and that includes light lunch for students at the end of tutoring sessions at 12 noon. For a 9-week quarter, that amounts to \$180.00 per student.

The names of student sponsors and their organizations will be displayed on tutoring classroom walls, for acknowledgement and historical purposes. New Life UMC is a tax-exempt religious organization.

Please call us at 850-510-2986 or send us E-mail through New Life UMC Pastor at beawoniyi@aol.com if you need further clarifications regarding how LLMT works.

Sincerely,
